

NESD SHRM Presents:

LEGISLATIVE UPDATE

Tuesday, April 12th

2nd St. Station

11:30 am – 1:00 pm

Now that the 2022 SD Legislative Session is wrapping up, we need to know what laws passed and what laws didn't, and how the changes affect business! Don't miss this interesting and enlightening session covering all of the outcomes and ramifications from the recent legislative session in several areas such as:

- Workforce development
 - Covid vaccines
 - Housing needs
 - Childcare and more!

Julie Johnson is an attorney, & SoDak SHRM's Legislative Director and lobbyist. She is the product of a third-generation family business in Aberdeen. She was the Secretary of Labor for South Dakota after having some employment practice in our law firm, and from there, she went on to run the State's Chamber of Commerce and then the Department of Revenue. Following that, she was the administrative law judge for the State and also ran the South Dakota Rural Development Council. She is also active in many growth initiatives and programs within the area

RSVP at the chapter website: <http://nesd.shrm.org> (under the events & education tab) by Friday, 4/8.
