

NESD SHRM Presents:

Avoiding Employment Law Pitfalls

Tuesday, March 8th @ 11:30 am – 1 pm

The system of federal and state employment laws that govern businesses is complex, constantly developing, and difficult to navigate. Brian Mundahl, Investigator with the Department of Labor, will be speaking about the top employment law mistakes that he sees businesses make. Brian will discuss his experiences with handling the most common mistakes and how to avoid them in several areas including: bonus pay, shift differentials, overtime, tips and tip credit, State MW records, child labor and several other often missed regulations.

Bring your questions, as there will be a question/answer session at the end!

Speaker: Brian Mundahl is an Investigator with the Wage and Hour Division of the U.S. Department of Labor. Brian is a graduate of Southeast Technical Institute and the University of Sioux Falls with degrees in Law Enforcement Science, Business Management, and an MBA with additional education in Human Resources and Personnel Management. Prior to the Department of Labor, Brian spent more than nine years on active duty with the U.S. Navy doing payroll and financial accounting, was the branch manager of a regional payroll company for four years, and worked in local law enforcement for more than 6 years. In his free time, Brian enjoys traveling, doing home projects, riding motorcycle, and spending time with his family.

This is a virtual program. The call in information to be sent before the event.

RSVP at the chapter website: <http://nesd.shrm.org> (under the events & education tab) by Friday, 3/4.
